We had a wonderful time celebrating *Life in all its Fullness* at our recent **Harvest Service at St Mary's Church**. It was lovely to see so many parents and carers join us as the children led the service with joyful Harvest songs, heartfelt prayers, thoughtful poetry, and beautiful artwork. A special thank you to Reverend Colin and Pam Lee for hosting us so warmly, and to all the families for their generous contributions, which will be collected and distributed by the Edi Foundation to help those living in poverty.

**On Monday, Mrs Perry's Nan, Myrna, came to talk to Puffin Class.** In History the children have been making their own 'timelines' and sharing their memories. At 90 years old, Myrna had a lot of life experience to share and old photographs to show. She showed the children a photo of a particular special memory which was a street party, and told the children all about the celebration they had to mark the end of World War II. Mrs Perry also featured in Myrna's timeline! The children enjoyed talking about their own special memories.

**Families and carers are very welcome to join us tomorrow for our Celebration Worship at 9.05am. Tea and coffee is available from 8.45am in the foyer.**

**Have a lovely weekend.**

### Clubs

All children will be asked which club(s) they wish to attend—if there are more than 10 children who sign up, names will be picked out of a hat to ensure it's fair. Once signed up children will be expected to attend the club for the rest of the half-term.

### **'The 2 Johns' - Online Safety—6th November**

We're pleased to share that we've partnered with **The 2 Johns**, expert online safety educators who specialize in helping children, parents, and carers understand the challenges and risks of the digital world. John Woodley and John Staines, both former police officers, deliver engaging talks and workshops that cover important topics like staying safe online, spotting dangers, and protecting personal information. Their practical advice empowers families to navigate the internet safely and confidently. As well as all the children in Years 1-6 having a session, they will also be holding a staff session and also **an online parent session starting at 8pm—details of which we will send out nearer the time—please let Mrs Field know if you would like to join this.**
