## Dove Class Go Back in Time...

**Newsletter No. 9**  
**13th November 2025**

Dove Class had a fantastic day at Bedford Park on Wednesday for their Stone Age experience! The children stepped back in time to discover how people in the Stone Age might have lived. They learned how to make fire safely, built dens using natural materials, and even tried their hand at whittling sticks. The class also created some beautiful natural art inspired by their surroundings. After a well-earned lunch in the lunch room, everyone enjoyed plenty of walking and exploring among the colourful autumn leaves. It was a wonderful, hands-on day full of learning, teamwork, and outdoor fun! A big thank you to our parent helpers for supporting this trip.

**Remembrance Day Commemorations at St Mary's Church**

We were incredibly proud of George and Florrie, who truly demonstrated our school value of Being our Best during the Remembrance Service at St Mary's Church on Sunday. As part of the service, they took on the important role of reading out the names from the war memorial, honouring those who served and sadly lost their lives in the war. They read with great confidence, respect, and clarity, representing our school beautifully. Very well done, George and Florrie!

**Parents' Coffee Morning**

We are hosting a Parents' Coffee Morning on Friday 21st November at 9:45am (or after Celebration Worship) and would like to warmly welcome all parents. These sessions were formally known as parent4parent sessions, and predominantly for parents of children with additional needs, however we would like to extend this invitation to all parents (regardless of your child's need) to provide a room/coffee and biscuits to allow you the time and space to talk and support each other. I will warmly welcome you, answer any questions, but then leave you to chat amongst yourselves.

We hope to see you there!
