'Life in all its Fullness': Believing ~ Being Our Best ~ Being Creative ~ Belonging

## Cakes, Carols and Community Cheer!

Our **Decoration Day and Carols and Cakes afternoon** was truly wonderful and a real celebration of our value of belonging. The children baked amazing cakes ready to share with the community, and filled the village hall with joyful Christmas carols for our elderly residents on Tuesday afternoon. Feedback was overwhelmingly positive—guests commented on how beautifully the children sang, how delicious the cakes were, and how polite and welcoming our children were. Year 6 shone as they waited on tables with great care, ensuring everyone felt included and cared for. Very well done to Florrie, George, Nicole and Arsenii who were in charge of the idea and organising the event. It was a heart-warming celebration of belonging and life in all its fullness!
