Year 5— Taiya
Year 6— Hudson

Headteacher's Awards
Reception Alexey
Year 1 Max
Year 2 Alfie
Year 3 Lydia
Year 4 Leo
Year 5 Jake
Year 6 Alicia

Parent Survey Feedback

We are delighted to share the results of our recent parent survey! Almost all parents said their children are happy and feel safe at school, and most feel well informed about how their child is progressing. Many would confidently recommend our school to others, and we are especially proud that every parent agreed their child is supported and achieving well, including those with SEND.

Parents described our school as a loving, inclusive community with a strong sense of togetherness, a personal touch, and excellent support for children's mental health and wellbeing. We also value the constructive suggestions shared - particularly around communication and the variety of after-school clubs. Thanks to your feedback, we are able to keep improving the school experience for all our children and families.

We would like to warmly invite you to our **Celebration Worship tomorrow at 9.05am.**
You are welcome to join us for a hot drink from 8.45am.
Wishing you all a lovely weekend!
Mrs Vessey

Tech Deck Fun!

This week our clubs started and the children can enjoy a host of activities such as Tech Deck, Art and Crafts, Yoga, Coding and Football along with our Helpful Homework Club.

The children in Tech Deck Club were keen to show us their skills with the mini skateboards and their array of ramps. Gabriel told me that *'all we do is bring in the ramps and Tech Decks so if anyone doesn't have one it's fine as we have loads and you can borrow'*. They were obviously having fun whilst also showing our school value of belonging and including everyone!

OPAL Accreditation

We are delighted to share that our school will be assessed for the official OPAL accreditation next Wednesday. This marks an important milestone in what has been a long but rewarding journey. We believe we have truly transformed the lunchtime experience and opportunities for our children.

As part of the assessment an OPAL accreditor will visit the school, speak with staff and children, and review our progress. We are hopeful that all the hard work Mrs Cook and Miss Clewett have put into the programme will pay off and we receive the accreditation.

We would be grateful if you would take a moment to complete the short Google parent survey as this forms an important part of the process—please see the link below. Thanking you in advance for your support.
