Stepping Back in Time in Dove Class...

Newsletter No. 23

19th March 2026

Dove Class had an absolutely amazing Roman Day! Yesterday the children stepped back in time by dressing in fantastic Roman clothing before designing, painting and proudly creating their own Roman shields outdoors. They also produced some beautiful mosaic fish artwork, showing real creativity and attention to detail. The day ended with a brilliant Roman Dance led by Mrs Williams, which everyone thoroughly enjoyed. A huge thank you to Miss Ailes for making the learning so much fun, and to Mrs Bates for her wonderful support!

Bee Kind Winners

- Reception— Alexey
- Year 1— Ava
- Year 2— Alfie
- Year 3— Jaxon
- Year 4— Amelia
- Year 5— Whitney
- Year 6— George

Headteacher's Awards

- Year 6 Florrie

Please come and join us at 9.05am tomorrow for **Wagtail Class Assembly** and our **Celebration Worship**. Please join us for a hot drink beforehand at 8.45am. We hope you have a lovely weekend!

Key Stage 1 did us proud at today's cross-country event! Our children were absolutely amazing—their teachers commented on the incredible resilience they showed, keeping going even though the course was long. Every single runner tried so, so hard and finished with big smiles. We even came back with three medals: Ava placed 3rd in the Year 1 girls' race, Noah came 2nd in the Year 1 boys, and Darcy secured 3rd in the Year 2 girls. When asked about the race, Ava said, *"It was really hard but we made it!"* How amazing is that! A huge well done to all our runners!

What a spectacular Mothers' Day Lunch extravaganza we enjoyed last week! It was such a lovely event filled with smiles and proud moments as the children sat next to their mums or grandmas. Each child also shared a handmade card, adding a personal touch to the celebration. A huge **thank you to Mrs Field** for her amazing organisation and all her special touches that made the event so memorable for everyone.

Wagtail Class is buzzing with excitement this week as our Living Chicks delivery has finally arrived! The children have been eagerly watching over the incubator, and with hatching day expected today, the excitement is sky-high. The class can't wait to welcome our new fluffy chicks into the world!!

Anyone seen Dove Class?!
