What an amazing afternoon we have had, celebrating life in all its fullness and **Earth Day**, combining spiritual reflection with exploring our local area in glorious sunshine. The children gathered together in the hall where they learned all about bluebells – their different names, how they are protected, and the danger posed by the Spanish bluebell. We then set off across the fields in the beautiful sun (quite a long walk for some of our younger children!), before the most magical moment of all – the gasps of “wow” as we entered the woodland. The children enjoyed a gentle walk through the woods before sitting quietly for a few minutes of mindfulness, taking time to appreciate the beauty, peace and wonder of nature around them. We then all enjoyed an ice-pop and walked back through the fields to school. The children were wonderful, did us proud, and made the whole afternoon a truly uplifting experience!

You are very welcome to come and join us for our **Celebration Worship tomorrow at 9.05am**. Please feel free to come in for a drink beforehand at 8.45am.

Enjoy the lovely sunny weekend!

British Values through Community and Creativity

This week, **St George's Day** provided a meaningful focus for Collective Worship, giving us the opportunity to remind the children of the five **British Values**: democracy, the rule of law, individual liberty, mutual respect, and tolerance of those with different faiths and beliefs, and to explore why they are so important in our school and wider society. Children proudly wore their uniforms if they belonged to **Cubs, Scouts, Rainbows or Brownies**, reinforcing values such as service, responsibility and community. We also enjoyed a wonderful celebration of Being Creative with a **performance from the Bishop's Stortford Woodwind Band**, giving the children a taste of British musical heritage!

Clubs!

In response to parent feedback we are in the process of trying to secure some more clubs for the children. We're excited to announce that we will be able to provide an after-school **Cooking Club** (Yrs 1-6) and also a **Sewing Club** (Yrs 2-6) in the not too distant future — details to follow!
