- Year 5— Etienne
- Year 6— Jack

Headteacher's Awards

- Reception Alice
- Year 1 Noah
- Year 2 Alfie
- Year 3 Savannah B
- Year 4 Ivy
- Year 5 Skye
- Year 6 Nicole

This week KS1 have had a wonderful scooting morning, where the children had great fun while learning important skills to help them keep safe. Everyone worked hard to be their best, listening carefully and trying their skills with confidence and enthusiasm. The children learnt how to stop and hop, how to cross the road safely, and how to check that their scooters were safe and ready to use before setting off. The session helped the children understand why following rules is important and how making sensible choices keeps themselves and others safe. The children especially impressed us with their positive attitudes and teamwork, really showing our school values. When Puffin Class were asked what they thought of the morning, they proudly said: 'it was 100% good!'.

You are very welcome to come and join us for our **Celebration Worship tomorrow at 9.05am**. Please feel free to come in for a drink beforehand at 8.45am.

Enjoy the sun!

Mrs Vessey

Fun in Wagtails!

It has been a very busy and exciting week in Wagtails! The children have had great fun developing their fine motor skills by carefully cutting up, squeezing and tasting fruit, all in preparation for making their own smoothies in a couple of weeks. Alongside this, they have been busy scooting, creating amazing constructions, and using their imaginations to build and explore. Also, they have been reading a pizza poem, making playdough pizzas, and in EYFS building towers to match their numbers. It has been wonderful to see the children having such fun and enjoying their learning.

Ofsted

We would like to say a huge thank you to all our parents and carers for the support you showed during our recent Ofsted inspection. We are extremely grateful for the positive feedback shared, which not only celebrated our school but will also help us to reflect and plan strategically as we continue to make improvements. The inspection team spoke very highly of our children, commenting on how kind, respectful and polite they were, and how proudly they represented our school—we are very proud of them!. While we are not able to share the outcome of the inspection at this time, we look forward to sharing the final report with you in around a month. Thank you once again for your continued support and partnership.
