will commence next
week. We look forward
to welcoming you in our
Celebration Worship on
Friday 18th September.
Please feel free to join
us beforehand for a tea
or coffee at 8.45am.

Welcome to Chameleon Class who started with us on Monday! We are so proud of how well they have settled in, getting used to new routines and making new friends. A special thank you goes to our wonderful Year 6 buddies, who have welcomed them with open arms and helped them feel safe and happy. The kindness shown by the children across the whole school once again demonstrates what a caring and supportive community we have at Birchanger, and we could not be prouder of them all.

We began the new academic year with a special Wellbeing Day focused on **Spirituality**, giving children the opportunity to reflect on themselves, others and the world around them. Throughout the day, they took part in a range of activities promoting gratitude and reflection, including designing prayer pebbles, creating thank you cards for our volunteer readers and making gratitude flowers.

As part of their learning about stewardship and caring for God's world, the children explored the importance of looking after the environment. They created bug hotels for local wildlife, took part in litter picking and celebrated the beauty of our Secret Garden by making colourful bunting. It was a fantastic start to the year, and we look forward to seeing our children continue to flourish as they learn, grow and live out our vision of Life in all its Fullness.

Wishing all our families a very happy weekend!!
