Chameleons - whole class

Sloths - Cole

Toucans - Darcy

Jaguars - Amelia

Year 5 represented the school brilliantly during Bikeability today. They showed excellent road awareness, listened carefully to instructions and behaved sensibly and responsibly throughout the day. The instructors were full of praise for their mature attitude and safe cycling skills, and we are delighted that they all successfully achieved their Level 2 Bikeability Certificate. These will be presented during Collective Worship tomorrow.

Well done, Year 5!

We are so excited to welcome Lottie and her owner, Alison, to Birchanger! Lottie, our wonderful therapy dog, has already become a much-loved member of the school community. She has enjoyed listening to our children read and having the occasional walk on the field! We look forward to seeing the positive impact she will have on our pupils throughout the year.

We were delighted our school clubs started this week and are happy we can offer the children a wide range of opportunities to include Gardening, Sewing, Chess, Arts and Crafts, Nature, Singing and Football Club. Also, my personal favourite, Disco Club!!

As part of our Harvest celebrations, we are supporting the **Uttlesford Foodbank Harvest Appeal** and inviting families to donate any suitable items (see list on foyer door). Thank you for your generosity and support in helping us make a difference to those in need.

We would like to wish all our families a very happy weekend!!
