What a fantastic team we had at school on Saturday!

Following problems with our original installation, our wonderful PTA worked hard to raise the additional funds needed for new posts. A huge thank you goes to the parents who then gave up their weekend to share their time, practical skills and expertise to install them for us. We are so lucky to have such a supportive school community and can't wait to see the sails added next week!

It's wonderful to see so many parents now connected to **Class Dojo!** We hope you're enjoying the communication with your child's teacher and getting a glimpse into their learning and life in the classroom. If you haven't yet signed up, please do so to make sure you don't miss any updates. The children are also enjoying the games and activities on Dojo and the opportunity to connect safely with their classmates. A quick reminder that the parent chat is for short messages between parents and teachers and is not intended for children to use to chat with one another. Thank you for your support!

Last Friday it was Key Stage 2's turn for **Movie Night!** Armed with blankets and treats, the children got cosy and settled down to enjoy Inside Out together. There was a wonderful relaxed atmosphere and it was lovely to see everyone enjoying this special time with their friends. Thank you to the PTA and everyone who made the afternoon a success!

Wishing our Birchanger Community a very happy weekend!!!
